# *Dedication*

*Mr. Albert C. Wobecky*

We, the Class of 1958, wish to dedicate our Yearbook, *The Mariner*, to Mr. Albert C. Wobecky, whose many years of teaching, understanding, and inspiring leadership have been sincerely appreciated by all those fortunate enough to be under his guidance.

May the coming years bring him the rewards he so richly deserves.

# *Dedication*

We, the Class of 1958, wish to dedicate our Yearbook, *The Mariner*, to Mrs. Mary E. Wobecky, who has been a loyal friend and interested instructor. Not only do we remember her in this capacity, but we also recall her kindness and consideration as a registered nurse.

We hope that the coming years will bring her fulfillment, success, and happiness.

# In Memorium

FRANK K. SPARLING

Vocational Education lost one of its favorite supporters in the death of Frank K. Sparling. When life ended for Mr. Sparling, it had become a mirror of almost two thirds of a century of civic pride and unselfish sacrifice.

Frank Sparling was appointed to the Board of Trustees on April 12, 1946, became vice-chairman on May 3, 1948, and Chairman on May 1, 1950. He held this position until his death on October 8, 1957.

The years dealt kindly to Mr. Sparling and this was understandable to those who knew him. Politics did not shape his character making him a man obsessed with personal ambition and pre-occupied with self-interest. To a great degree, it was the warm human feeling he left with all with whom he came in contact. His humor and his kindness rubbed off on many of those who shared a place with him in life and in board membership. I would note him in character with a great American, Alben Barkley, who said, "I would rather be a servant to the Lord than sit in the seat of the mighty."

Mr. Sparling was a key figure in the history of Vocational Education during the past fifteen years. We came to associate him with the progress this educational field enjoyed. Although he was a prodigious worker and a devoted public servant, he always found time to reach for the human values associated with the students in their daily school lives.

The Senior Class of '58 will miss him because we have learned to know the personal interest he had in our education. We know that such a man does not receive his rewards in this world, and his good deeds shall not be forgotten.

# CLASS HISTORY

# *Class History*

Here it is June-1958. Would you have thought that these four years could have passed so quickly? Although, on that first September morning we felt shy and insecure of what was ahead of us, we were soon set at ease by the greetings of Mr. Mackintosh and Mrs. Howland at an assembly held at Hammond Auditorium. The Juniors also sponsored a dance welcoming us. Verna Bowler was crowned Freshman Queen. As time progressed we made new friends and got better acquainted with our teachers and our school. At the end of our Freshman year we looked forward to becoming Sophomores.

During our Sophomore Year our football team was the Bristol County Co-Champion. Naturally everyone was very pleased.

Then we were Juniors and upper classmen at last. Our class officers were Michael Dodge, President; Edmund Harrison, Vice-President; Verna Bowler, Secretary; and Richard Morris, Treasurer. We soon held a dance honoring the Freshmen. Claudette Gautreau reigned as Queen.

Time hurried by and before we knew it our Junior Prom was held on April 25th, —a night to remember! Elsie Holden was chosen Queen with Verna Bowler and Joan Perry elected as her ladies-in-waiting.

Soon after, as summer grew nearer, we went on our Junior Outing at Camp Cachelot. We'll never forget this outing. Did we eat!

Soon it was September-1957 and we finally gained that long awaited title of "Senior." The Senior Class Officers were William Louganis as President, Phyllis Fabio as Vice-President, Geraldine Monteiro as Secretary, and Gerald Grace as Treasurer. Our first dance was the Harvest Festival. Decorations of Autumn spelled out the theme.

The Juniors held their annual dance for the Freshman with Dorothy Kingsley crowned Queen. Our Basketball season was soon begun and we all hoped for another successful year.

We later held our "Sweetheart's Ball" with Priscilla Caissey chosen Queen and Michael Dodge, King.

During the year we were saddened by Mr. Sparling's death. He was a great loss to our school.

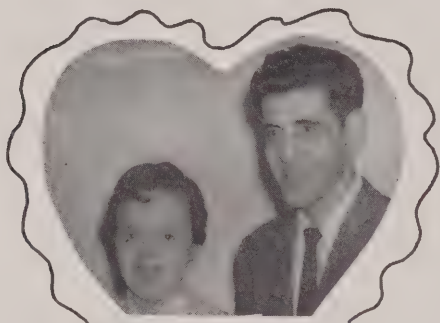

Miss Forrest, a teacher in the Girls' Department, resigned to tour the world. We were all sorry she wouldn't be returning to again teach at Vocational High School.

Our scheduled basketball season came to a close and again we found ourselves qualified as Tech Tourney participants. Unfortunately we were eliminated.

Now we leave on our journey into the world; each going his separate way. Although we may never meet again, we will never forget our friends and all the good memories of Voke.

## *Key Club*

With another year recorded, the New Bedford Vocational High School Key Club has made outstanding progress in initiative, progress, and school-community service. The officers who have capably managed the Key Club this year are: Robert Bendiksen, President; Michael Dodge, Vice-President; John Seaberg, Secretary; and Paul Ouellette, Treasurer.

The highlights of this year's activities included; a Halloween Party for the children at St. Mary's Home; the installation of a new steel flagpole, replacing the one mutilated by the hurricane of 1954; encouraging school spirit by organizing a brigade of cars at the New Bedford vs. Voke football game; selling refreshments at all basketball games; and many other smaller projects, too numerous to mention.
